

Dear Fellow Minister,

Greetings in the mighty name of Jesus! It is with much enthusiasm that I am writing this letter to you. I believe with all my heart in the ministry anointing that God has placed on my wife, Pamela Neu. I watched with amazement as Pamela, overcame a terminal disease by putting the Word of God richly in her heart. I have noticed since then, her desire and discipline increase in this area, to bring the healing message of the Gospel, not just to our church, but also to the whole world! She has in my estimation, one of the strongest healing anointings in the body of Christ today. So many people have been healed in our church, and in her special meetings. God is truly confirming His Word with signs and wonders through her. Pamela's ability to present the healing message simply and articulately helps people to receive their healing from God.

The Bible talks about letting others boast about us. I want to boast about my wife! She has faithfully served with me in our church since our ministry began. She has made a great impact on Living Waters. Not only has she preached the Word on a consistent basis, but she has also helped to administrate, organize and implement much of our church's vision. Pamela recognizes and values the perspective of pastoring a local church. Pastors are blessed when she brings this understanding with her as she teaches and ministers in their churches.

I have been married to Pamela since August of 1980. She is a wonderful wife and mother. We have two children, Jennifer and Bobby. They both love God, and have a great relationship with Pamela and I.

Please take some time to review this web site there is much information concerning Pamela's ministry contained within it. After you have done this, please prayerfully consider having Pamela in to minister at your church or organization.

Thank you so much for your time. Please feel free to call me anytime at: 952-938-4176 if you have any questions.

Sincerely,

A handwritten signature in dark ink, appearing to read "Pastor Jay P. Neu". The signature is fluid and cursive, with the first name "Jay" being particularly prominent.
