To Whom It May Concern:

It is my pleasure to offer this recommendation on behalf of Pamela Neu.

I have personally known Pamela, and her husband, Jay, for over 20 years and she has ministered in our church several times. The call of God on Pamela's life is apparent. As an experienced teacher and minister of the Word of God, Pamela is anointed to minister in the gifts of the Spirit, especially in the arena of healing.

Pamela has a sincere passion to see hurting people restored in their spirit, in their soul and in their body. Her ministry includes leading people to a clear understanding of God's healing provision through teaching and the laying on of hands. With a genuine insight concerning the restoring message of healing, Pamela ministers plainly and with simplicity.

I highly recommend Pamela for ministry in the Word. In my estimation, she is an able and gifted minister. She is very attuned to the Holy Spirit and flows freely in the gifts of the Spirit. I believe you and your congregation will experience God's blessings and His restoring power through her ministry.

Sincerely,

Mark F. Thomas
Senior Pastor
