Dear Fellow Minister,

It gives me great pleasure to recommend the ministry of Rev. Pamela Neu. I have known Pamela and her husband Jay for nearly 15 years. They pastor a great congregation called Living Waters Church in Hopkins, Minnesota.

Additionally Pamela is called and anointed to minister across America and around the world bringing the message of healing to the most severe cases in the body of Christ. The miracles that have occurred by the gifts of the Holy Spirit operating through her life, along with the teaching of the Word have been remarkable.

Pamela has shared in our LIFE Leadership Institute here in the United States but also has done extensive healing crusades with our team in Africa. The reports that have come in have been LIFE-changing!

I want to encourage you to extend your fellowship to Pamela, get to know what God has placed in her heart, and prayerfully see if she could be a blessing to your congregation. I know the concise way she communicates the Word of God, and individually ministers to those who are in need of healing, can bring tremendous fruit and blessing to those who receive her ministry.

Should you have any further questions or need and further information concerning the ministry of Pamela Neu, please don't hesitate to contact me directly at Mutual Faith Ministries. May God continue to bless you as you serve Him and give LIFE away!
